January 31, 2025

The following items will be placed in random, select Cumberland County ABC stores beginning February 1, 2025 through February 5<sup>th</sup>, 2025.

Note:

- Selection will vary by store, by day
- Some locations will not receive any of the items, at all
- Quantities are very limited
- Limit of one total bottle per customer
- Items are rarely at the store at opening, so waiting for the store to open, thinking these items will be there at the opening is not correct and probably a waste of your time
- We will still conduct a lottery later in February for the rarest of items we have received

**We respectfully ask that you do not call stores asking about these items, as the stores have no knowledge of what they may receive, if anything at all.**
